Sir,

With reference to Government Order No.G.8337-49/P.P.122-18 dated 9th November 1918 directing me to import rice up to the value of 15 lakhs of rupees from Burma and Bengal and requesting you to place the necessary amount at my disposal, I have the honour to state that about 10,000 bags of rice of about the value of Rs.1,30,000 were purchased by me under instructions from Government when I was at Madras and that one thousand tons of Rangoon rice of the value of 1,82,056-14-0 are on their way to Madras. A sum of Rs.75,000 has been paid as advance towards the purchase of 10,000 bags purchased at Madras and the Bank of Mysore have been requested to arrange to pay Best & Co., for the rice on order from Burma. It is proposed to purchase immediately a further thousand tons from Burma and 700 tons from Bengal. I shall be obliged if the funds required for these transactions are either placed at my disposal at the Bank of Mysore or the Bank instructed to arrange to pay parties through whom purchases of rice are effected.

I believe the Comptr has already made arrangements. Please show this to Comptr when a copy of this letter has been taken

Dear Sir,

15730
Rec'd 12.45 P.M.

I forward herewith a copy of the letter of the Comptroller to the Manager of the Bank of Mysore in which I am asked that requisitions for further drawals should be sent to him. -- This arrangement will be exceedingly inconvenient. As you are aware, I am proceeding to Calcutta to-morrow night to arrange for the purchase of 700 tons of rice and such further quantities that the Foods Stuffs Commissioner might allow us. I have already received a telegram that we will be permitted to buy rice in Burma up to a limit of 1,000 tons per week during the month of December As you will see it will be impossible for me to negotiate terms of business with the firms in Calcutta and Rangoon unless I have - authority to assure that the Bank of Mysore will pay for all -- transactions in regard to rice that I may enter into. I should therefore suggest early orders may be issued to the Comptroller to modify his instructions to the Manager, Mysore Bank in terms of the suggestions made by me in my official letter to you No. 4616 dated 23-11-'18, a copy of which is enclosed for reference. As the matter is urgent, I shall be greatly obliged if you can - send me a reply in the course of the day.

Yours sincerely,

C Rangamanna Rao
